

Raymond is a Licensed and Certified Athletic Trainer from Metairie Louisiana. He has been an Athletic Trainer for the past 21 years. A graduate of Archbishop Rummel High School, Raymond went on to attend Southeastern Louisiana University to earn his B.A. in Kinesiology/Athletic Training. He then attended River Parishes Technical College where he earned his Technical Certificate as a Licensed Practical Nurse. Raymond went on to attend Trident University International where he earned his M.S. in Health Education/Administration. He is currently employed by Ochsner Health System where he is currently serving as the athletic trainer for Christian Brothers School in New Orleans. Raymond is active with the LATA Governmental Affairs Committee where he is monitoring several bills in the Louisiana legislature that have the potential to affect the profession of athletic training. He is a very strong advocate for the profession of athletic training through legislative lobbying and governmental advocacy. He is also active in the NATA, SEATA and LATA Governmental Affairs initiative.
